

Fergus Falls School of Dance
2011/2012 Dance Family Participation Requirements
(Minimum - 4 Hours per family*)

This sheet is required at the time of registration!

With the growth of FFSD in recent years, it has become clear to us that we need to strongly encourage more participant time and support from our families. Dancers can't take class without teachers, and teachers can't keep teaching and putting on wonderful shows without LOTS of help. We were very happy to have 2/3 of our families helping this last year but we really need ALL of you to help, so that everyone is doing their share to make this opportunity possible for your dancers. This year we are implementing a policy REQUIRING your support of giving 4 hours of time per family. If you are unable to fulfill the time requirement you may opt to pay a participation fee of \$50.00.

The Spring Concert sign up sheets will provide record of Spring Concert hours. Any participation hours other than for Spring Concerts requires you to notify FFSD by email or by written notice upon completion. For your convenience you can fill out the Participation Hour form on the ffsd website <ffsd.info> under the "DPR" tab. Please bear with us this year as we work out the details of this new policy. We feel strongly that it will help involve more FFSD families in our events, thereby building our FFSD community for the benefit of all.
