

Fergus Falls School of Dance
2023-2024 Dance Family Performance Participation Requirement
(Minimum 4 points – Maximum 8 points)

This sheet is required at the time of registration.

FFSD has a performance participation requirement. If dancers wish to perform in the Spring Concert their family needs to assist with the student performances and earn a minimum of 4 points (“pts”) for the first student and 2 pts for each additional dancer up to a maximum of 8 points. And please remember unlike many other activities we do not have any fundraising requirements. If you are unable to fulfill the time requirement you may opt to pay a participation fee of \$100.00. These monies will be donated to the Dance Sponsorship Fund.

The Spring Concert sign-up sheets that go online in May will provide a record of Spring Concert points.

FFSD is proud to be able to work with so many wonderful families! Your support makes these performance opportunities possible for the dancers. Thank you for helping build our dance community!
